Waccamaw Regional Council of Governments

Area Agency on Aging

WRCOG is the Area Agency on Aging (AAA) for the Older Americans Act Program in the Region. The AAA's principal function is to plan a comprehensive and coordinated system of delivering services for senior citizens. The services provided include:

- **Transportation**
 - **Congregate meals**
 - **Home-delivered meals**
 - **Health promotion**
 - **Homecare**
 - **Family caregiver assistance**
 - **Information, referral and assistance services**
 - **LTC Ombudsman services**
 - **ICARE (Insurance Counseling Assistance & Referral for Elders)**
-

The Family Caregiver program provides support, information, education, and services to family caregivers throughout the Waccamaw region. The regional caregiver advocate works directly with caregivers to provide them with information and services that help to make their job as caregivers a successful and rewarding experience while relieving many stressors involved in being a full time caregiver.

The Regional Information, Referral and Assistance program (I/R&A) provides a one-stop approach to provide I/R&A services to seniors and their caregivers throughout the region. This program along with an Internet accessible statewide I/R&A database serves as the access point for informational services.

The Long Term Care Ombudsman program seeks to improve the quality of life and quality of care of the residents of long term care facilities, both in nursing homes and assisted living centers. The LTC Ombudsman investigates and works to resolve problems or complaints affecting long term care residents, educates facility staff about residents rights and other issues, provides information about long term care and related services, educates the community about the needs of long term care residents, and visits long term care facilities to talk to residents and monitor conditions in the facility.

A “*Community Helping Organization*” for SC Healthy Connections Choices

SC Healthy Connections Choices is a program that helps South Carolina Medicaid members and newly eligible members enroll in health plans that suit their families’ needs. When members enroll, they choose a health plan and a doctor or clinic.

SC Healthy Connections Choices enrollment packets are sent daily to every new Medicaid member and to Medicaid members after they renew. Newly eligible members may select a health plan when they join Medicaid.

How to enroll

There are five easy ways for members to enroll:

- By mail—complete the enrollment form and send it in
- By fax—complete the enrollment form and fax it in
- By phone—calling 1-(877)-552-4642
- On line—via the website (www.SCchoices.com)
- In person, with a community enrollment counselor

For more information about SC Healthy Connections Choices, visit the website at www.SCchoices.com, call toll free 1-877-552-4642 or you can call **Waccamaw Regional Council of Governments** to speak with a Community Helping Organization Coordinator at (843) 546-8502 or toll free 1-888-302-7550.

Protect Yourself Against Fraud

- Never show anyone your medical or prescription records without first talking to your doctor or pharmacist.
- If someone calls and tries to threaten or pressure you into something—simply hang up the phone.
- If someone comes to your door and says they are from Medicare or some other health care company shut the door...*It's shrewd to be rude!*
- Do your homework and talk to your health care provider before buying or investing in internet “cure-all” or “miracle” products or services.
- Don't keep mail in your mailbox for more than one day. People steal personal information right out of your mailbox.
- Rip up or shred your Medicare or other health care papers and other important documents before throwing them away. *Crooks go through the trash!*
- Treat your Medicare & Social Security numbers like credit cards. If someone offers to buy you Medicare or SSN, **don't** do it...it's simply not worth it.
- Remember that “Medicare” doesn't sell anything.
- **ALWAYS** read your Medicare Summary Notice (MSN)—a piece of mail stamped “This is Not a Bill” after you received medical services.

If you believe that you have been a target of a senior scam or fraud, or know of a senior citizen who has been victimized, please call the Department of Consumer Affairs at 1-800- 922-1594 or the Lt. Governor's Office on Aging at 1-800-868-9095.

“EXTRA HELP” IS AVAILABLE

Anyone who has Medicare can get Medicare prescription drug coverage. Some People with limited income and resources also are eligible for extra help to pay for the cost—monthly premiums, annual deductibles and prescription co-payment—related to a Medicare Prescription drug plan. The extra help could be worth up to \$3,600 per year.

To qualify for extra help you must have:

- Limited income to **\$15,600—individual** or **\$21,000—married couple**
- Resources limited to **\$11,990—individual** or **\$23,970—married couple**

Even if your annual income is higher, you still may be able to get some help. Some examples where your income may be higher are if you or your spouse:

- Support other family members who live with you
- Have earnings from work
- Live in Alaska or Hawaii

How do you apply? (If you are not getting the extra help automatically)

- Online at www.socialsecurity.gov
- Call Social Security at: 1-(800)-772-1213 (TTY 1-800-325-0778)
You can apply over the phone or request application be mailed.
- Apply at your local Social Security Office
