**North Myrtle Beach
Special Called City Council Meeting**

**Friday, September 1, 2:00 P.M.
City Hall**

AGENDA:

- 1. A Resolution Approving an Annual Assessment Report and an Updated Assessment Roll for the Cherry Grove Improvement District and Confirming the Collection of Assessments Therein for the City's Fiscal Year 2018.**

City Council must approve the assessment roll for the Cherry Grove Dredging project for FY 2018. The Horry County Treasurer's Office will use the approved roll for property tax/assessment fee billing purposes.

The assessment roll can change from year to year because some property owners in the assessment district may opt to pay their total assessment for the first dredge or for both planned dredges in advance during a given year. The corrected assessment roll ensures they are not billed an assessment the next fiscal year.

- 2. Adjournment**
