City of North Myrtle Beach Offers Christmas Tree Recycling

North Myrtle Beach, SC – In partnership with the Horry County Solid Waste Authority (HCSWA), the City of North Myrtle is once again providing drop-off locations for those who want to recycle their natural, unadorned Christmas trees. The trees will be ground into mulch which citizens can pick up for free, typically after February 1st. The Christmas tree drop-off locations are as follows:

1. Windy Hill -- in the public parking lot at 38th Avenue South and Seaview
2. Possum Trot Road -- in the parking lot across from the J. Bryan Floyd Community Center at 1030 Possum Trot Road
3. Main Street -- in the paved public parking lot on the northeast side of Main Street between Ocean Boulevard and Hillside Drive.
4. Shorehaven Drive -- in the public parking lot at the intersection of Ocean Boulevard and Shorehaven Drive (near 19th Avenue North).

City of North Myrtle Beach sanitation customers may also leave their Christmas trees at the curb and the Sanitation Division will pick them up. These trees will also be ground into mulch at the HCSWA facility.

Christmas trees must be stripped of all adornments before recycling.
