## **North Myrtle Beach Hurricane Debris Collection Update**

*North Myrtle Beach, SC – October 1, 2018* – As of this past Saturday, the City's Sanitation Division has collected a total of 883 tons of Hurricane Florence-related debris and hauled it to the landfill.

Sanitation personnel continue to collect hurricane debris and anticipate completing the job toward the end of this week.

All the while, Sanitation Division personnel have run regular household and business garbage collection routes without interruption.

Our thanks and appreciation go out to this highly dedicated group of City employees!
