## **Free Mulch Available at Two Locations in North Myrtle Beach**

*North Myrtle Beach, SC* – Free mulch made from recycled Christmas trees and wreaths is now available for the taking at two locations in North Myrtle Beach – the parking lot directly across the street from the J. Bryan Floyd Community Center at 1030 Possum Trot Road, and the

public parking lot on Main Street across from Duck’s Beach Club. Signs are posted at both parking lots, and the mulch is free for the public to pick up until the supply is depleted.

The mulch is the result of Santee Cooper and Horry County Solid Waste Authority’s “Grinding of the Greens” Christmas tree and wreath recycling program. The City of North Myrtle Beach provided four Christmas tree and wreath drop off points and, during the past week, Santee Cooper’s contractor ground the trees and wreaths into mulch.
