**CITY SEEKS YOUR PARTICIPATION IN HAZARD MITIGATION PLAN UPDATE**

*North Myrtle Beach, SC – August 13, 2020* – As required by the Federal Emergency Management Agency (FEMA), the City of North Myrtle Beach is updating its Hazard Mitigation Plan.

Hazard mitigation planning is the process used by state, local, and other leaders to gain a good understanding of risks from natural hazards in their jurisdictions, and then develop long-term strategies to reduce the impacts of disasters on people, property, and the environment.

We invite you to participate in this process by taking a moment to complete the following online survey: <https://s.surveymonkey.com/yyuFTM1X1>
