EXPANSION OF OCEANFRONT PUBLIC PARKING SPACES IS UNDERWAY

North Myrtle Beach, SC
– April 8, 2019 - Work on expanding the number of public parking spaces in oceanfront parking lots from 4th Avenue North to 18th Avenue North is underway. The project will create about 200 additional public parking spaces.

The work requires the temporary removal of plumbing for outdoor showers, dune walkovers and signage. After the project is complete, the items will be replaced.

All work takes place on City property.
