UPDATE – Private Dredging in the Cherry Grove Canals

North Myrtle Beach, SC – June 4, 2017 – Some of the terms of the U.S. Army Corps of Engineers **Nationwide Permit #19** (NWP#19) and its use have changed.

All homeowners and contractors are responsible and liable for adhering to *all* conditions of NWP#19 to include regional and general conditions.

Private property owners who wish to dredge their property located on the Cherry Grove canals should now first contact the following U.S. Army Corps of Engineers office to determine if they meet the conditions to dredge under the Nationwide Permit:

Tommy Fennel
Chief, Northeast Branch
Charleston District Regulatory Division
U.S. Army Corps of Engineers
