## **Scheduling for the Following Parking Lot and Road Work Projects has Changed**

*North Myrtle Beach, SC – June 16, 2017* – Scheduling for the following projects has changed:

- The resealing of public parking lots at the 3rd Avenue North and 5th Avenue North oceanfront street ends will NOT take place as planned on June 20. An alternate date will be selected for the work, and that date will be promoted to the public in advance of the work.
  
- The milling of Barefoot Resort Bridge Road will not begin until June 26. The contractor's milling machine failed and requires an extensive overhaul. The contractor will start the milling work on June 26 at 6:00 a.m. in order to reduce the potential for traffic delays around the swing bridge where the road is only two lanes wide.
  
- On June 19, 20 and 21, the contractor will be paving 19th Avenue South, 22nd Avenue South and 33rd Avenue North.
