BAREFOOT SWING BRIDGE WILL CLOSE TO BOAT TRAFFIC WHEN WINDS REACH 25 KNOTS

North Myrtle Beach, SC – September 10, 2018 – Boaters please be aware that when winds reach 25 knots (about 30 miles per hour), the swing bridge at Barefoot Resort & Golf will be locked into position to accept automobile traffic only. It will not open for boat traffic until winds subside and are consistently below 25 knots.

This ensures that bridge mechanisms are not damaged by high winds.
