

REQUEST FOR CITY COUNCIL CONSIDERATION

Meeting Date: October 6, 2025

Agenda Item: 6D	Prepared by: L. Suzanne Pritchard, PLA, AICP, CFM
Agenda Section: Unfinished Business: Ordinance. Second Reading	Date: September 30, 2025
Subject: Amendments to Chapter 2, Administration, of the Code of Ordinances of North Myrtle Beach, South Carolina, creating a Public Arts Commission [A-25-1]	Division: Planning and Development

Background:

The City's *2018 Comprehensive Plan* calls for strengthening the identity and character of North Myrtle Beach's historic main streets, promoting Main Street as a vibrant cultural destination, and encouraging reinvestment through tools such as façade grants. Specifically, the plan recommends establishing a façade grant program to support redevelopment, preserving historic character while encouraging compatible new investment, and positioning Main Street as a hub for shopping, dining, nightlife, culture, and the arts.

The Comprehensive Plan also identified additional key focus areas where design standards and reinvestment efforts should be prioritized: Sea Mountain Highway, 17th Avenue South, and 37th Avenue South. Together with Main Street, these corridors form the historic "hearts" of the community. In addition to guiding façade reinvestment, the plan emphasizes the importance of placemaking through high-quality design.

Proposal:

The creation of a Public Arts Commission directly responds to these objectives by establishing a body to guide façade improvements, promote and fund public art as a tool for placemaking, and reinforce the role of arts and design in community identity and economic development. The proposed ordinance creates a Public Arts Commission consisting of five members representing a cross-section of arts and cultural stakeholders, appointed by the Mayor with Council approval. Members will serve four-year terms, with limits on consecutive years of service.

The Commission will serve in an advisory capacity to City Council and the Planning and Development Department, with responsibilities including awarding façade improvement grants, selecting artists for public art projects, recommending policies for arts and culture, and fostering community partnerships. Planning staff will provide administrative support to the Commission. The structure of the Commission is also consistent with the South Carolina Arts Commission's Cultural District Program, positioning North Myrtle Beach to pursue state-level recognition and resources for arts and cultural initiatives.
