

**REQUEST FOR CITY COUNCIL CONSIDERATION**

Meeting Date: March 1, 2021

Agenda Item: 5A	Prepared by: L. Suzanne Pritchard, PLA, AICP
Agenda Section: Consent: Ordinance. Second Reading	Date: January 27, 2021
Subject: Petition for annexation and zoning designation for 0.28 acres on 1 <sup>st</sup> Avenue South	Division: Planning & Development

**Background:**

Anton Cherney, property owner, has petitioned the City of North Myrtle Beach to annex approximately 0.28 acres of property located on 1<sup>st</sup> Avenue South identified by PIN 356-01-01-0016. The petition also reflects the requested City of North Myrtle Beach zoning district of Single-Family Residential Low-Density (R-1). The subject area is identified as Residential Neighborhood on the Future Land Use Map; the proposed zoning designation, R-1, best serves the goals of the plan given the transitional nature of this neighborhood.

**Existing Conditions:**

The subject property area is contiguous to the corporate boundary of the City of North Myrtle Beach and is zoned Single-Family Residential 10 (MSF10) under Horry County jurisdiction. Located on 1<sup>st</sup> Avenue South, the parcel is currently occupied by a garage. Surrounding parcels within City limits are zoned Mobile/Manufactured Home Residential (R-3); adjacent unincorporated county parcels are zoned Highway Commercial (HC) and MSF10. Upon annexation, the parcel would be designated R-1 as per Exhibit A: Zoning Map (Z-20-19), prepared by the City of North Myrtle Beach Planning & Development Department depicting the annexation boundary. A proposed ordinance has been attached for Council’s review.

**Planning Commission Action:**

The Planning Commission conducted a public hearing on January 5, 2021 and voted unanimously to recommend approval of the annexation and zoning designation, citing “c,” to recognize substantial change or changing conditions or circumstances in a particular locality. There was no public comment.

**Recommended Action:**

**Exhibit A: Zoning Map (Z-20-19)**

**7A. ANNEXATION & ZONING DESIGNATION Z-20-19:** City staff has received a petition to annex lands on 1st Avenue South totaling approximately 0.28 acres and identified by PIN 356-01-01-0016. The lot is currently unincorporated and zoned Single-Family Residential 10 (MSF10) by Horry County. The petition also reflects the requested City of North Myrtle Beach zoning district of Single-Family Residential Low-Density (R-1) and will be heard concurrently.

**Existing Conditions and Surrounding Land Uses:**

The subject property area is contiguous to the corporate boundary of the City of North Myrtle Beach and is zoned Single-Family Residential 10 (MSF10) under Horry County jurisdiction. Located on 1<sup>st</sup> Avenue South, the parcel is currently occupied by a garage. Surrounding parcels within City limits are zoned Mobile/Manufactured Home Residential (R-3); adjacent unincorporated county parcels are zoned Highway Commercial (HC) and MSF10.

**Planning Commission Action:**

As per the Zoning Ordinance Section 23-4, *Amendments*, the Planning Commission shall prepare a report and make recommendations on any proposed amendment to the North Myrtle Beach Zoning Ordinance, including the Zoning Map, stating its findings and its evaluation of the request. In making its report, the Commission shall consider the following factors:

- a) The relationship of the request to the Comprehensive Plan:

*The Future Land Use map contained in the 2018 Comprehensive Plan recommends Residential Neighborhood as the land use class for the subject area. The principal permitted uses noted in the compliance index include a mix of residential uses at medium densities (duplexes, townhomes, and patio homes), multi-family housing up to six stories, infill mixed-use development and neighborhood commercial uses. The recommended primary zoning districts are R-2, R-2A and R-3; R-2B and NC are the secondary zoning district alternatives.*

The proposed zoning designation, R-1, is not a primary or secondary recommended zoning district within the Compliance Index for the subject property.

- b) Whether the request violates or supports the Plan:

*Chapter 5, "The Way We Grow," of the 2018 Comprehensive Plan identifies the Residential Neighborhood future land use classification as follows: This classification supports a mix of residential uses at medium densities, which includes mostly duplexes, townhouses, and patio homes, as well as, multi-family housing up to 6 stories. This designation could also allow infill mixed-use development and neighborhood commercial uses.*

The proposed R-1 zoning is inconsistent with the Residential Neighborhood land use classification found in the *2018 Comprehensive Plan* as its density is lower than the density shown in the plan. However, prior to adoption of the *2018 Comprehensive Plan*, a nearby lot on the same street was annexed into the City with R-1 zoning. This area is a transitional neighborhood.

- c) Whether the uses permitted by the proposed change would be appropriate in the area concerned:

*The purpose of the R-1 zoning district is, "To preserve and protect the character of existing neighborhoods and subdivisions, and to prohibit any uses which would compromise or alter existing conditions and uses. Also, these districts are intended to encourage residential infilling and expansion of existing neighborhoods and subdivisions. Development land uses permitted in each are designed to reflect existing conditions and enhance the prospects of 'lie development.'"*

The uses permitted in the R-1 district would be appropriate in the area, especially regarding residential infill.

- d) Whether adequate public-school facilities, roads and other public services exist or can be provided to serve the needs of the development likely to take place as a result of such change, and the consequence of such change:

*Current public rights-of-way serve this area via 1<sup>st</sup> Avenue South.*

- e) Whether the proposed change is in accord with any existing or proposed plans for providing public water supply and sanitary sewer to the area:

*Water and sewer services are available to the parcel.*

As a matter of policy, no request to change the text of the ordinance or the map shall be acted upon favorably, except:

- (a) Where necessary to implement the comprehensive plan, or
- (b) To correct an original mistake or manifest error in the regulations or map, or
- (c) To recognize substantial change or changing conditions or circumstances in a particular locality, or
- (d) To recognize changes in technology, the style of living, or manner of doing business.

This petition for annexation and zoning designation is presented to the Planning Commission for a recommendation that will be forwarded to City Council at their next meeting scheduled for February 1, 2021. Should the Planning Commission desire to forward a positive recommendation to City Council, one of the aforementioned reasons should be included in the report.
