WHEREAS, the City is visited by hundreds of thousands of people each year; and

WHEREAS, the City has as its public purpose the provision of a safe environment for its visitors and residents; and

WHEREAS, Mayor and Council for the City of North Myrtle Beach, hereinafter called “City”, have determined in the interest of health, safety and general welfare of the citizens, residents and visitors of the City, that the franchise for parasail and banana boat operations be conducted in the vicinity of 17th Avenue South in Crescent Beach on the public beaches within the City should be granted unto a suitable and proper person, firm or corporation; and

WHEREAS, Mayor and Council have determined that Aaron Lewis, hereinafter called “Franchisee”, is a suitable individual unto whom such franchise should be granted. The Franchise shall operate under the name of New Wave Watersports.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS THAT:

In consideration for providing parasail and banana boat operations on the public beach, and other good and valuable consideration, the City does hereby grant a limited parasail and banana boat franchise unto the within-named Franchisee for the purposes and under the conditions herein mentioned, such franchise to be operated under the following terms and conditions of this Agreement, hereinafter called “Agreement”.

This agreement supersedes and voids and nullifies all parasail and banana boat franchise agreements and addendums entered into between Aaron Lewis d/b/a New Wave Watersports and the City of North Myrtle Beach prior to the execution of this Agreement.

ARTICLE I: GENERAL

Section 1 The Franchisee shall have the right and privilege of conducting upon the public beaches of the City as herein designated and hereinafter called “Public Beaches”, a parasail and banana boat business which consists of the sale of parasail and banana boat rides to the general public for profit.

“Parasailing” means anything with a rider towed by a power vessel by means of a tow rope where the rider ascends into the air by the towline extended from the vessel and remains suspended in the air as the vessel runs its course.

“Operator” means one that operates a banana boat, non-propeller personal watercraft, or parasailing vessel. The term also includes the operator serving as an observer on such watercraft.

“Banana Boat Operations” means rental of rides on a banana boat towed by a non-propeller personal watercraft. Banana boats shall not exceed six (6) passengers at any time.

Section 2 The granting of this franchise shall in no way imply that said franchise is exclusive and the City reserves the right at any time to grant an additional franchise to qualified applicants if and when the City Council shall determine that the public convenience and necessity would best be served by such additional franchise or franchises.

Section 3 The Franchisee shall operate in an area known as the public beach in the vicinity of 17th Avenue South in the Crescent Beach section of North Myrtle Beach, which area is seaward of the primary dune line as defined by South Carolina Coastal Council in the W-1 Waterfront Pleasure District, which is under the control of the City of North Myrtle Beach and which is shown on the official zoning map of the City of North Myrtle Beach.

Section 4 The Franchisee shall not conduct any business activities upon the public beaches other than those enumerated in Section 3 hereof, or unless otherwise approved by the City.

Section 5 The Franchisee shall conduct all business activities in a passive manner. Concession or sales personnel shall make no initial direct contact with beach patrons for the sale of parasail and banana boat rides and shall not be allowed to solicit any sales. No sale shall be practiced by the Franchisee or its employees, to influence, pressure, coerce, or hawk the general public to utilize its services. All employees of the Franchisee shall be properly attired at all times.

ARTICLE II: DURATION, FEES & REQUIREMENTS OF OPERATION

Section 1 The parties agree that this Franchise Agreement shall be treated as if an option to extend the agreement had been granted and the franchise fee shall be paid as required in optional years pursuant to Article II, Section 3. This Agreement shall be in effect from the 15th day of March 2021 and shall end on the 31st day of December 2025 unless earlier terminated, as provided herein. However, the City may, at its option, extend the term of the Franchise for a five (5) year period. Such extension shall be based upon the quality of service provided, the condition of the equipment and the anticipated service level during the option period. The right to extend the agreement for the option period remains the sole right and judgment of the City. A decision not to extend the agreement period is not disputable.

Section 2 Subcontracting any portion of the Franchise Agreement shall not be allowed. Any violation of this shall result in the immediate revocation of the Franchise.

Section 3 This Agreement and any portion hereof shall not be alienated, conveyed, sold, leased, granted, donated, pledged or encumbered, or in any manner whatsoever, or by whatever name or form assigned by the Franchisee to any other person, firm or corporation without the prior, express written consent of the North Myrtle Beach City Council. Such consent shall be conveyed by the adoption of an ordinance granting a parasail and banana boat franchise to the new owner.

Any ownership change during the term of this Franchise Agreement shall be construed as a sale of the Franchise and shall result in the immediate revocation of the Franchise.

Section 4 If Franchisee elects to add a fourth parasail watercraft during the term of the Franchise Agreement, as authorized in Article V “Operating Requirements and Limitations”, Section 2B, the Franchisee shall be required to pay a franchise fee in the amount of \$72,930.38 each year. There shall be no prorating of fees for adding a fourth parasail watercraft. The fees for any optional period shall increase by five percent (5%) successively for each year. The franchise fee shall be payable in one installment due by July 15th of each year. In the event this date falls on a weekend, payment shall be due the first Monday after July 15th. If payment has not been received within 15 days after the due date a \$100 per day penalty will be assessed until payment is received in full. The Franchisee shall first notify the City in writing no less than thirty (30) days prior to adding a fourth parasail watercraft informing the City of the date the fourth parasail watercraft will become operational.

In the event the Franchisee does not exercise the option to add a fourth parasail watercraft, the Franchisee shall pay to the City a franchise fee of \$51,500 each year. The fees for the optional period shall increase by five percent (5%) successively for each year. The franchise fee shall be payable in one installment due by July 15th each year. In the event this date falls on a weekend, payment shall be due the first Monday after July 15th. If payment has not been received within 15 days after the due date a \$100 per day penalty will be assessed until payment is received in full.

Section 5 In addition to all other remedies available to the City, the City shall have the right to levy civil fines for each violation of the franchise terms and/or conditions. The amount of these fines may not exceed Five Hundred Dollars (\$500.00) per infraction. Within ten (10) days, the Franchisee may appeal the use of this remedy to the City Manager or designee, whose decision shall be final. If any fines remain unpaid after the ten (10) day period set aside for appeal, the City may terminate this Agreement.

Section 6 The Franchisee shall comply with all rules, regulations, laws and permitting requirements of the City of North Myrtle Beach, Horry County, the State of South Carolina, and the United States Government now in force or hereinafter to be adopted.

Section 7 The Franchisee shall be required to obtain and pay for all necessary permits and licenses for operation, and be solely responsible for payment of any sales tax, hospitality fees or any and all taxes levied upon this Franchise operation. A business license for this Franchise operation is not required.

Section 8 If the Franchisee is unable or unwilling to perform the franchise at any time for any reason, the paid franchise fee remains with the City and is non-refundable. Failure to perform shall constitute grounds for the City to terminate the Franchise Agreement in whole or part without any termination liability on the part of the City.

The Franchisee shall submit copies of certificates of title to all boats, personal watercraft, banana boats and/or other watercraft to be used in the operation of the franchise. If a corporation, LLC, or other entity owns any of the equipment used for the operation of the franchise, the Franchisee shall provide the City with a certified copy of the articles of incorporation for that entity. Section 1 The City Manager or his/her designated appointee shall be responsible for the enforcement and supervision of this Franchise Agreement.

Section 2 This Agreement may only be modified in writing as authorized by Mayor and City Council at a regular or special meeting of City Council, and no other changes to this Agreement shall be effective, including attempted modifications.

ARTICLE XI: SEVERABILITY/PERFORMANCE GUARANTEES

Section 1 This Franchise Agreement supersedes all other Agreements previously made, and all other Agreements, in writing or otherwise, regarding such previous Agreements.

Section 2 This Agreement memorializes the complete understanding of all parties hereby, and any other statements, promises, representations, inducements and any and all negotiations of any nature, form or description previously had or contemporaneously conducted with the formation and execution hereof, are hereby deemed fully abandoned, and the same form no part of this Agreement, nor of the understanding of the parties, nor of the consideration of inducement heretofore.

Section 3 The City shall have the right to revoke and terminate this Franchise Agreement at any time if provisions of the Franchise Agreement are not strictly adhered to. The provisions of the Franchise Agreement, particularly Articles II, III, IV, V and VI are intended to provide a safe environment for uses of the public beach in the City of North Myrtle Beach, and any regulation pertaining to the safe operation of the activities on the beach will be strictly construed to the benefit and safety of the general public. No lapse of time, expenditure of money or any other thing shall be deemed to give the Franchisee any vested interests or right in the continuation of this Franchise Agreement.

Section 4 In the event of a default, the Franchisee agrees to pay all fees, including attorney's fees, necessarily incurred in enforcing the City's rights under this Agreement as a result of said default.

Section 5 The Franchisee hereby waives any claims against the City and its employees regarding any damages, loss of revenue or any other losses of whatsoever nature resulting from legislative, judicial, or other governmental action which renders the City unable to perform under this Agreement. The Franchisee shall indemnify, defend, and hold the City, its employees, officers, elected officials, agents, contractors, (the "Indemnified Parties"), harmless from and against all injury, loss, damage, or liability (or any claims with respect to the forgoing) that may arise as the result of any negligent or willful acts of the Franchisee, related in any way to the operations of this Franchisee Agreement. The indemnity provided for in this section shall not apply to any liability resulting from the negligence or willful misconduct of the City or an Indemnified Party.

Section 6 There shall be no discrimination as to race, religion, sex, color, creed, or national origin in the operations referred to by this Agreement; and further, there shall be no discrimination regarding any use, service, maintenance, or operation. All rental services on the beach shall be made available to the public, subject to the right of the Franchisee to establish and enforce rules and regulations to provide for the safety, orderly operation, and security of the parasail operations.

Section 7 Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under the law, but if any provision of this Agreement is prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of the Franchise Agreement.
