

CITY OF NORTH MYRTLE BEACH MONTHLY REPORT

SEPTEMBER 2022

INFORMATION SERVICES

NOTABLE ONGOING PROJECTS

City Software

NMB Help Desk: During the month of September, 245 service tickets were submitted by City staff. Ticket subjects revolved around hardware and software related issues (printers, outages, etc), website and intranet updates, new Desktop computers plus setup, WIFI issues at the Sports Park, software installations, hurricane preparation and new hires.

Parking Passes: During the month of September, the City processed 151 parking registrations. Registration form was upgraded and tested this month as well.

Online Permits: During the month of September, 370 building permits were issued in the online building permit software.

Current / Future Projects

Network Upgrades: Continued planning and implementing network upgrades for all the City fire stations and buildings off-campus including the Sports Park. More access points and WIFI upgrades have been implemented at the Sports Park in preparation for Youth Sports, Christmas Light Show and all of the fall / winter events.

Software Upgrades: Continued assistance with upgrading and implementing software for various departments including service tickets, online billing payments, work orders, interactive maps (parking, inventory, etc), employee onboarding.

Data Security: Continued to monitor and, where needed, upgrade security protocols to combat network and web intrusions, email phishing attempts and more. Have implemented new protocols to automate and block phishing and malware attempts. Hurricane Ian prep was done which includes securing backups, desktops and continuous network monitoring for potential outages.
