In the event Developer should fail to reimburse the City within Thirty (30) days of the date an invoice is delivery by the City to the Developer, the City may place a lien upon the Property, which lien shall be enforceable in the same manner as a property tax lien, which may only be satisfied by payment thereof, and the City may elect to withhold the issuance of any further building permits or certificates of occupancy for Transient Units within the Property until such time as the lien is paid in full.

(K) **Maximum Rental Term.** As a public benefit, Developer, or the then current owner of the Project agree that the maximum term of any rental agreement for Transient Units constructed upon the Property shall be Eighty Nine (89) days, the express intent of this provision being to insure that the term of occupancy for any Transient Unit does not exceed the statutory period under which accommodations taxes would remain applicable.

(L) **Stormwater and Drainage.** As an obligation, Developer shall provide stormwater conveyance and retention facilities sufficient in capacity to accommodate the storm water generated from the Property, and provide the City with evidence of the necessary and required permanent and perpetual easements necessary to facilitate such drainage from the Property.

(M) **On-Site Amenity.** As an obligation, Developer recognizes that on-site amenities within the Project reduce the demand on the recreational services that must otherwise be provided by the City, and therefore Developer agrees that the on-site amenities for the Project will include (i) a swimming pool of not less than 2,500 square feet in size to accommodate the residents of the Project, together with not less than 3,500 square feet in pool deck, with a clubhouse and restrooms; and (ii) that such swimming pool, clubhouse and restrooms will be commenced on or before the date on which the 120th building permit for Transient Units within the Project is issued, and such swimming pool, clubhouse and restrooms will be completed and a certificate of occupancy issued prior to the date on which the 150th building permit for Transient Units within the Project is issued.

(N) **Jurisdictional and Non-Jurisdictional Waters.** As an obligation, Jurisdictional and Non-Jurisdictional Waters of the State of South Carolina and the United States within the Project which are not mitigated, filled or otherwise modified, shall be surrounded by a water quality buffer of not less than Twenty (20) feet in width. Developer will convey all Jurisdictional and Non-Jurisdictional Waters of the State of South Carolina and the United States located within the Project to the Owner's Association for maintenance and operation not later than the date on which the Project is complete.

(O) **Open Space Requirement.** As an obligation, Developer agrees that the Project shall incorporate not less than Twenty (20%) percent open space, which for purposes of this Agreement shall include protected wetlands, required buffers, ponds, lakes, amenity lots and parcels, open spaces, green space or other undeveloped acreage which is within the Project.

(P) **Approved Materials and Building Elements.** As an obligation, Developer further agrees that certain materials shall be prohibited for incorporation in the Transient Units or other buildings constructed as part of the Project, and those prohibited materials and encouraged building elements are set forth on **Exhibit "G"** attached hereto (the "*Approved Elements*").

(Q) **Drainage Canal Maintenance.** As an obligation, Developer agrees that the existing drainage canal located along the Western property line of the Property, and extending beyond the property line of the Property, shall be improved, stabilized, and maintained by Developer, or an Owners Association, including the reservation of necessary access, drainage, and maintenance easements, not less than Twenty Five (25) feet in width as measured from the top bank of the drainage canal, and continuing along such drainage canal, as shown **Exhibit "H"**.

(R) **Reservation of Utility Easement and Drainage Easements.** As a public benefit, Developer agrees to reserve an easement for the benefit of the City, Thirty (30) feet in width (the "*City Utility Easement*"), running parallel and adjacent to the existing right-of-way reserved for the South Carolina Public Service Authority, in which the City intends to bore beneath the Atlantic Intracoastal Waterway for the installation of a water and/or sewer line as a continuous connection between the City utility system and that of Grand Strand Water & Sewer Authority. The City Utility Easement is shown on the Master Plan. In addition, the Developer shall reserve an easement for the benefit of the City, as shown on **Exhibit "D"** attached hereto, for drainage from the improved Bowline Boulevard to the existing wetlands and to be improved storm water retention areas within the Property, sufficient to accommodate the storm drainage from Bowline Boulevard.

(S) **Recording.** Pursuant to Title 6, Chapter 31, Section 120 of the Code of Laws

for the State of South Carolina, this Agreement shall be recorded in the public records of Horry County, South Carolina, on or before the date which is Fourteen (14) days following the date on which the City enters into this Agreement.

12. **PROTECTION OF ENVIRONMENT AND QUALITY OF LIFE.** The City and Developer recognize that development can have negative as well as positive impacts. Specifically, the City considers the protection of the natural environment and nearby waters, and the preservation of the character and unique identity of the City, to be important goals. Developer shares this commitment and therefore agrees to abide by all provisions of federal, state and local laws and regulations for the handling of storm water.

13. **COMPLIANCE REVIEWS.** Developer, or its assigns, shall meet with the City, or its designee, at least once per year during the Term to review development completed in the prior year and the development anticipated to be commenced or completed in the ensuing year as compared to the Development Schedule. The City shall provide written notice to the Developer of the date for such compliance review not less than Five (5) business days in advance, provided such notice shall not be applicable to standard reviews and inspections otherwise performed by the City as to the improvement of the Property. The Developer must demonstrate good faith compliance with the terms of this Agreement. The Developer, or its designee, shall be required to provide such information as may reasonably be requested by the City. The Development Schedule attached to this Agreement is only a projection, and Developer's obligation at each respective Compliance Review shall be to reconcile the projected Development Schedule attached to this Agreement with the actual schedule of development for the Project at each respective Compliance Review. Failure to meet the Development Schedule attached to this Agreement shall not constitute a default hereunder.

14. **DEFAULTS.** Notwithstanding the provisions of Section 6 above, Developer shall continuously and diligently proceed with Development Work on the Property. Developer's failure to proceed with Development Work on the Property for a period of more than Six (6) months, other than as a result of Force Majeure, as defined in Section 6 above, shall constitute a default hereunder on the part of Developer. In the event of a default, the City shall provide written notice to Developer of such default, and Developer shall have a period of thirty (30) days in which to cure a default by commencement of Development Work with regards to the next portion of the Property to be developed in accordance with phasing plan of the Project. The failure of the Developer to comply with the terms of this Agreement shall constitute a default, entitling the City to pursue such remedies as deemed appropriate, including withholding the issuance of building permits in accordance with the provisions of this Agreement, specific performance and the termination or modification of this Agreement in accordance with the Act; provided however no termination of this Agreement may be declared by the City absent its according the Developer the notice and opportunity to cure in accordance with the Act.

15. **MODIFICATION OF AGREEMENT.** This Agreement may be modified or amended only by the written agreement of the City and the Developer. No statement, action or agreement hereafter made shall be effective to change, amend, waive, modify, discharge, terminate or effect an abandonment of this Agreement in whole or in part unless such statement, action or agreement is in writing and signed by the party against whom such change, amendment, waiver, modification, discharge, termination or abandonment is sought to be enforced except as otherwise provided in the Act.

16. **RESTRICTIVE COVENANTS.** The obligations and public benefits agreed to and accepted by Developer set forth in this Agreement (collectively the “***Restrictive Covenants***”) shall survive and continue in full force and effect without regard to the termination of this Agreement for a period ending on the earlier of (i) Fifty (50) years after the Term of this Agreement; or (ii) such time as the parties hereto, or their respective successors and assigns, have recorded a fully executed and effective termination of the Restrictive Covenants in the Office of the Register of Deeds for Horry County. Developer further covenants and agrees that, to the extent the Property is encumbered by covenants, conditions and restrictions (the “***CCRs***”), whether administered by an Owners Association or not, such CCRs shall include the Restrictive Covenants, the effect of which shall be to extend the term of the Restrictive Covenants, the same thereafter running with the Property as continuing obligations, public benefits and restrictions.

Should these parties be unable to agree to a modification or suspension, either may petition a court of competent jurisdiction for an appropriate modification or suspension of this Agreement.

(B) **Estoppel Certificate.** The City or any Developer may, at any time, and from time to time, deliver written notice to the other applicable party requesting such party to certify in writing, within thirty (30) days of such written notice, that this Agreement is in full force and effect, that this Agreement has not been amended or modified, or if so amended, identifying the amendments, whether, to the knowledge of such party, the requesting party is in default or claimed default in the performance of its obligations under this Agreement, and, if so, describing the nature and amount, if any, of any such default or claimed default, and whether, to the knowledge of such party, any event has occurred or failed to occur which, with the passage of time or the giving of notice, or both, would constitute a default and, if so, specifying each such event.

(C) **Entire Agreement.** This Agreement sets forth, and incorporates by reference all of the agreements, conditions and understandings between the City and the Developer relative to the Property and its development and there are no promises, agreements, conditions or understandings, oral or written, expressed or implied, among these parties relative to the matters addressed herein other than as set forth or as referred to herein.

(G) **Transfer of Title.** Transfers of title to the Property, in whole or in part, may be made, at any time and to any person or entity, without the consent of the City.

(H) **Binding Effect.** The parties hereto agree that this Agreement shall be binding upon their respective successors and/or assigns.

(I) **Governing Law.** This Agreement shall be governed by the laws of the State of South Carolina, and the parties further agree that venue shall be proper, without regards to any conflict of law principals, in a court of competent jurisdiction in Horry County, or such other jurisdiction in South Carolina as is appropriate and necessary under the circumstances.
